

Whittlesea Secondary College Connecting a Student Bring Your Own Device (BYOD) to eduSTAR.NET

Students and Parents must agree to the terms and conditions set forth in this document. Use of Student BYODs will be covered by the College's *Electronic Device Policy* and *ICT User Agreement* and the Department of Education and Early Childhood Development's *Acceptable Use Policy* while the device is using the College's network infrastructure. Failure to accept and adhere to these policies will result in the student's access being revoked. **Whittlesea Secondary College will not be held accountable for any loss or damage to the BYOD device;** it is recommended that families take out a private insurance policy on the device.

System requirements:

- Must be a laptop or tablet PC running Windows 7 or above, or Apple OS 10.7 and above.
- The device must be running a current and up to date anti-virus program, e.g. AVG, Avast, Microsoft Security Essentials. The software must be installed by the students and upon proof of installation, the connection process can commence.

Access by BYODs at Whittlesea Secondary College will be limited to the following resources: **Internet access, printing, the student's home drive and the shared Student Resources drive.** This access will be provisioned via an embedded network username and password; the device will not be joined to the school's local domain. IT staff will not be responsible for any loss of connectivity or reduced access for any other wireless connection that may be present.

Connection to the wireless network will be performed using the standard connection tools. If the standard connection tools fail, no attempt will be made to troubleshoot. **Whittlesea Secondary College IT staff will not be held responsible for any loss of functionality, data or access on the student's device; the use of this service is strictly at student's own risk.** Whittlesea Secondary College will not be providing any level of technical support for the device beyond the device's connection to the school's network. Repairs and maintenance to student BYODs are beyond the level of support Whittlesea Secondary College can provide.

Agreement

I understand and agree that Whittlesea Secondary College is not liable for damage or any loss of connectivity or data or functionality on my BYOD:

Make:	Model:	Serial number:
-------	--------	----------------

I have read this agreement and the College's *Electronic Device Policy* and *ICT User Agreement*, and the Department of Education and Early Childhood Development's *Acceptable Use Policy* and agree to abide by the terms and conditions therein.
